

**Application for the Vinyl Institute
Travel Grant for Vinyltec 2017**

The Vinyl Institute, U.S. trade association representing the leading manufacturers of vinyl, vinyl chloride monomer, vinyl additives, and modifiers, selects up to 3 students per year to receive a travel grant to the Society of Plastics Engineers' Vinyltec, the largest vinyl focused technical conference in the United States. At Vinyltec, new developments in the vinyl industry are unveiled, as well as training on niche areas in the industry.

The travel grant includes registration for the full conference and travel and hotel costs.

To apply for the opportunity to receive the Vinyl Institute Travel Grant for Vinyltec, a prospective grantee must:

- Enrolled at an accredited U.S. university
- Be pursuing a degree in polymer science, material science, chemistry, or chemical engineering
- Be able to travel to San Antonio, Texas and attend the Vinyltec on October 11-12, 2017

All applications must be complete in full and sent to David Dunston at ddunston@vinylinfo.org on or before September 08, 2017.
